COMMUNITY HIGHLIGHTS

Just like the trees and flowers coming to life around us, our Club Kids are flourishing this time of year! We are so proud of everything they've accomplished, and the way our ecosystem - our community - has surrounded them with love and support. Some highlights include:

- Youth of the Year Competition
- Performances at Leaders & Legends
- Teen-led clothing drive & meal service for residents at Opportunity House
- Haircuts for members courtesy of Golden Bladez Barbershop
- Club Graduation Ceremonies & Parties
- Center for the Arts Recital
- And so, so much more!

So many good things have happened at Olivet this spring, it's hard to wrap my head around it all. It'd be easy to say we're just lucky: we blew our Leaders & Legends fundraising goals out of the water; our Club kids finished their school years strong; we're preparing for the best summer camp season yet. But is it really good luck, or just good people? That answer is easy: it's good people - always. I can't thank you enough for being one of them and making an impact on our Club Kids' lives. Please stay connected this summer by joining us for a camp lunch, RBI baseball game, or CFA theatre performance (info attached). See you soon!

HAPPY GRADUATION, OLIVET CLUB KIDS!

Congrats to all our members for an amazing '24 - '25 school year & Club Season!

VOLUNTEER OF THE MONTH CAMILLE FAUST Resource Development Volunteer & Board Chairperson

Inspired by her father's experience as an Olivet Club Kid in the late 1950s, Camille has been volunteering and working for Olivet since 2014. Highlights of her service include two stints as Chief Development Officer in 2014/15 and 2023, before volunteering those same duties during the 2024 transition period until Sarah (Development Director) was hired in November. She currently serves as the Resource Development Chairperson on the Board; this spring, not only was she a driving force in our 2025 Leaders & Legends Dinner Committee, but she was also a mentor to Oakbrook Youth of the Year Candidate, Adriana Gonzalez.

"Volunteering at Olivet is a game changer for me, as well as the Club Kids. I have met so many passionate people who are volunteers, who want to make a difference for our community and the kids and families we serve. But the best part of volunteering is seeing the kids having fun on purpose, becoming leaders, staying healthy and active, making good choices; and, of course, the smiles when you walk into a Club – that is the best part!"
