COMMUNITY HIGHLIGHTS

May was full of growth, connection, and unforgettable experiences at Olivet! From getting our youth back on the field for the start of RBI baseball season to hands-on learning opportunities like vegetable planting with community partners, our members stayed active, engaged, and inspired. We celebrated the achievements of outstanding young leaders, welcomed volunteers who dedicated their time to supporting our mission, and continued creating meaningful moments through special events and partnerships.

Highlights include:

- Displaying Members' Artwork & Celebrating Board Member, John Gallen, at the Caron Dinner
- RBI Intramural Club Baseball Began!
- Planting Seeds with Generation Impact
- End-of-School-Year Parties
- CFA Recital
- VIP Screening at the Reading IMAX, courtesy of Tom White & Morgan Stanley

Richard J. Caron Award of Excellence Dinner

VIP Screening at Reading IMAX

Performance Toyota End of Year Party at our Oakbrook Club!

What a season, Team Olivet! I can't believe what we accomplished together. We broke ground on renovations at PAL and Mulberry; we celebrated our Club Kids through competitions, graduations, recitals, and more; we deepened our community partnerships and grew new relationships; we onboarded more first-class staff across our Clubs and Administrative Office; we honored our commitment to Trauma Informed training and programming; we elevated our members and staff through education and experiences; we started new, innovative programs; and - amazingly - even in our last After School season without PAL and Mulberry, we *surpassed historic membership numbers*. We know that Summer Camp is going to bring even more energy, excitement, and new faces, and we can't wait! Our staff is already deep in training and getting ready to provide the best summer season yet. See you soon! - Rick Perez, CEO

School's out for Summer!
